Open House

We are looking forward to seeing parents during open house. There is a parent meeting scheduled prior to the start of open house for parents of students who will participate in some of our special offerings. The parent meeting is geared toward parents of students in our ELS/MN program and will cover information for Hawkettes, Hawk Club and Best Buddies. That meeting will be in room 140 from 6-6:30. Open House begins at 7p. There is more information for open house available on the HEHS web page.
