2. This clinic is for children who are either underinsured (insurance does not cover immunizations), uninsured (do not have health insurance), or on title 19 of Medicaid (restrictions apply).
3. Every child **must** be accompanied by an adult family member/guardian and sit together until their number is called. Disturbances such as running, climbing, yelling or destruction of property will not be tolerated.
4. Every child **must** have their **up-to-date immunization record**.
5. Every child who receives an immunization (s) is asked to wait at least 10 to 15 minutes before leaving. This assures that your child will not have an adverse reaction to the shot, which may require medical attention.
