

Test Prep

EXPLORE is given to 8th grade students as part of the placement process. This assessment is designed to stimulate career exploration and to facilitate development of a plan for the student's high school academic program.

PLAN is given to 10th graders. This is the middle assessment in the series and helps to recognize student's growth and helps with planning and preparation for education, training, work, and career after high school.

ACT is given to 11th graders as part of the PSAE (Prairie State Assessment Exam). This score is 50% of their PSAE score in Reading, Mathematics and Science. It can also be used for college admissions.
